Spooky Trains Make for a Super-Scary Halloween!

LIONEL No. 1031 Mikado #6-83606

HALLOWEEN has become Lionel's 2nd biggest holiday of the year. Now's the time to add some creepy touches to your train layout for 2021. Many toy train operators decorate for October 31st by adding miniature pumpkins, candy corn, cauldrons, spider webs or skeletons to the trains. *Dollar stores are a great source for such kitschy stuff!*

Lionel entered the Halloween market less than 15 years ago, with the #6-30056 Transylvania Express of 2007. The graphics mimicked the Pennsylvania Railroad, but with a "TRR" (not PRR) Keystone on the caboose, and a spooky paint scheme overall. This pioneering set, loved by vampires of all ages, ran till 2010.

Just as 1225 became a popular number for Christmas trains, Lionel uses No. 1031 (due to the 10/31 date) to designate Halloween engines. Examples include the 2-8-2 Mikado #6-83606, a USRA 4-6-2 Pacific #6-85175 and an ALCo RS-3 Diesel "End of the Line" train set #6-85253 from 2018, that had eye-catching orange-ballasted track. Lionel also made Docksiders & General-types, decorated for the Transylvania Railroad. There was even a #6-28428 Halloween Handcar, seen here on orange Fastrack.

Currently stuck on a container ship in Los Angeles Harbor is Lionel's newest "Hallow's Eve Limited" LionChief set #2123060, pulled by an 0-8-0 No. 1031 switcher. When released, it will go great with Lionel's earlier Halloween cars & accessories. To see it run on YouTube, visit: https://youtu.be/fIxN_TixacM.

SWD President's Message for October, 2021

*Please be advised that the following article is comprised solely of my own thoughts, opinions, and experiences, and does not necessarily convey the beliefs and thoughts of the T.T.O.S. Southwestern Division (SWD), and its Members and Officers, or the editor and publisher of **The Southwestern Limited**. ~ ~ ~

I am very happy to report that I have recruited **Steve Waller** as our new editor of *the Southwestern Limited*. Steve is the President of the Western Division of the Train Collectors Association (TCA), and who also is the editor of their newsletter. I am very impressed with the quality of his work with the TCA Western publication and am looking forward to working with him on our publication.

The Southwestern Limited is published quarterly, and this issue is our second issue for 2021. We will try to publish two more before the end of the year. This issue shows photographs from our first two Meets in 2021, the June 6th and July 11th Meets. Photos are by SWD Member **Martin Folb**.

ELECTIONS FOR THE SWD BOARD OF DIRECTORS

Members of the **SWD Board of Directors** are voted in for two-year terms, and 2021 is an election year for 2022-2023. I will be asking for nominations for all Board positions at the

November 7 Meet, and elections will be held at the December 5th Meet.

There is a new sense of urgency with this election! Most of your current Board Members and workers are in the *elderly* category (ages in the 70s and 80s), and, frankly, we don't have much time left to serve you. It is crucial that younger Members step into your Board of Director positions and learn how the club is operated so they can take over. **Hollis Cotton** and I both turned 80 this year. The way things stand, if one of us were to die, the club could not continue.

We currently need a cashier for the monthly auction to replace **Tony Deneve**, who can no longer attend our meets. We need a Recording Secretary to replace **Jerry Moser**, who cannot attend our Board Meetings to take the Minutes. You don't have to be an elected Board Member to help run the club. You don't have to be elected to serve on the Board. The Board has the power to appoint new board members at any time.

The current elected SWD Officers and Board Members, and their current duties are as follows. It should be noted that many of the Officer duties shown can be delegated to other volunteers.

OFFICERS

President: **Larry Pearson** Presides over the monthly Board Meetings, conducts the Monthly Meet Repair seminar; serves as the Arcadia

Masonic Center liaison; Monthly Meet Chairman; Chairman of the annual August Picnic at the Live Steamers; liaison with TCA Western, Toy Train Operating Society-Southern Pacific Division and the All Gauge Toy Train Association in San Diego.

Vice President: Hollis Cotton Assists the SWD President; in charge of table assignments and Hall Layout at the Monthly Meets; advertising artwork design; Pre-War American Flyer Historian; provides the meeting place for our Monthly Board Meetings.

Recording Secretary: Jerry Moser takes the Minutes at the monthly Board Meetings and helps at the front desk and the Table Sales desk at the Monthly Meets.

Membership Secretary: Nancy Giammatteo is in charge of the annual SWD Membership renewals and new Member applications; is in charge of the front desk at the Monthly Meets; helps with the Table Sales desk at the Monthly Meets.

Treasurer: Manny Gonzales is in charge of the SWD financials.

SWD BOARD MEMBERS

Danny Blanch: Monthly Auction Clerk.

George Blanch Monthly Meet Auction Manager and Auctioneer; helps at the Monthly Meets.

Fred Kramer Chairman of the Monthly Meet 50-50 Drawing; in charge of SWD polo shirt sales.

Jon Pincus manages the table sales of Club donated items; handles all social correspondence.

Hal Rothenborg sets up & operates the layout at the Monthly Meets; liaison with and helps set up and operate the SWD large layout at various venues and hands out SWD info.

Calvin Smith publisher of *The Southwestern Limited*; design and prints flyers and brochures; prints and mails notices and the Monthly Meet postcards.

The SWD Officers and Board Members work very hard without compensation of any kind to make our club the success it has become. Please show your respect for them whenever you encounter them and assist them whenever you can. Most of the current Officers & Board members are senior citizens and we need younger people to step up & begin to take over the operation of our Club.

~ ~ ~
I am sad to report the passing of long time SWD Member (#3973) **Mike Terry** on October 3rd. Like myself, **Mike** collected cars in addition to trains. **Mike** was a very generous person and used to host a catered open house to view his extensive car collection from the 40's and 50's. My favorites were his 1948 & '59 Cadillac Convertible coupes.

~ ~ ~
This just in, a founding Member of the Toy Train Operating Society, **Dave Otth** (#257) passed away on Monday, October 4th at age 82 from the effects of COVID 19. Although Dave was fully-vaccinated, he had immune system issues that the vaccine could not overcome. He was in a hospital for several weeks before passing. Our condolences go out to his wife Rita, and his family & friends. In a future issue of the *Limited*, we plan to prepare a comprehensive life story on Dave, who was very special in our hobby.

~ ~ ~
Please support Southwestern by continuing your Membership, recruiting new Members, making donations to SWD, and attending our Monthly Meets. And, as always, hugs to all, and run your trains often!
